

• Builders Drawing Service

If you are a licensed building practitioner, why not present this voucher along with a proposed floor plan to take advantage of our special “draughting only” rebate scheme?

Not only will you receive our “no frills” draughting only service to provide a cost effective set of drawings and specifications to consent level for your client - we will also pay you a commission of 5% of the final design fee upon completion of the design contract.

This voucher must be presented before the commencement of any project and cannot be claimed retrospectively.

Please note this does not include any architectural consultation with the building owner and the plans are for the LBP's exclusive use.
